Subject: Man watches Trump speech, needs counseling

Dear Friends,

So, I'm watching Trump's convention speech yesterday (bad idea) on my laptop over lunch (an even worse idea) when, halfway through, I find myself searching on my phone for information on how become an Irish citizen. Then I find myself googling "parallels between the rise of Hitler and Trump."

Can this egomaniac's crazy-talk truly have brought him this close to the presidency of the United States of America?

After watching Trump's speech, I needed a hug. (Where were you?!) Or maybe ice cream. At this point, I'll settle for counseling. And for that, I would greatly appreciate your help. Specifically . . .

Call-in to the Fallon Forum today from 11:00 a.m. - 12:00 noon at (515) 528-8122, assure me and Charles that everything's going to be alright, or in lieu of that, tell us what we need to do to stop Trump.
